**CHURCH LOOKING AFTER THE CHILDREN**

St Peter's Anglican Church in Rocklands will be handing over school uniform to needy deserving children within the congregation. Because the learners also often come from economically challenged backgrounds, school fees for the year have also already been paid for them.

Coordinators of this project are Mr. Bob Tladi and Ms. Zola Thamae. "It is our social responsibility to look after children in our congregation, something that we take very seriously." Thamae stated.

Previous years, school shoes were collected of which 130 pairs were donated to the 3 outstations namely;

- Church of Good hope in Freedom square Bloemfontein.
- Anglican Church in Petrusburg.
- Anglican Church in Boshof.

**The handover will take place as follows:**
