Department to host District Youth Dialogues:

As part of the build-up activities towards celebrating Youth Month in the month of June culminating in Youth Day on 16 June, the Department of Sport, Arts, Culture and Recreation, Department of Social Development and the Thabo Mofutsanyane District, will be embarking on youth empowerment dialogues and engage with young people about the challenges that are facing young people today and come up with interventions that will address these challenges.

Government Departments and agencies, private companies and non-governmental organisations will be at the event to inform our young people of their products and services.

There will also be entertainment from different groups on the day.
