## Media Release

### Easter well wishes from the Premier of the Free State

April 16, 2014

Once again, Easter Weekend is here, and people from across the province will be embarking on long journeys to various destinations. I urge all citizens to be safe on the roads and most importantly, I urge all citizens not to drink and drive. As the Free State Provincial Government, the safety of our people remains paramount.

Ke le Premier ya Freistata, ke lakaletsa barapeli le batho bohle batlang ho nka maeto hore ba be le maeto a monate a bolokehileng, a tletseng kgotso ka nako ena ya Paseka.
