Free State Youth to participate in Exchange program with Germany

The Department of Sport and Recreation initiated an exchange program with Germany to give local learners and students the opportunity to experience different cultures and education.

All provinces were asked to submit possible candidates in March 2013. All the nominated candidates were subjected to a selection process, and the candidates who met the requirements were selected. Palesa Leballo from Zastron in the Xhariep District has been selected as part of this process.

The MEC for Sport, Arts, Culture and Recreation, Mr Dan Kgothule, would like to extend his congratulations to Palesa Leballo.

Palesa will depart from South Africa on 9 May 2013 and return from Germany on 9 June 2013. The Department will help with the travel arrangements and wishes to encourage Palesa to use this opportunity to the best of her ability and bring home the lessons and experiences.
