CHAPTER II

ORGANISATIONAL STRUCTURE, JOBS COMPENDIUM AND INTERNAL CONTROL STANDARDS (“ICS”)

2.1 Organisational structure

- (1) The LPM operator shall develop, implement and maintain an organisational structure diagram reflecting the –
- (a) executive management of the organisation, each of its departments and functions;
 - (b) segregation of incompatible functions into different departments and functions;
 - (c) direct and indirect lines of authority within the organisation, departments and functions, including the LPM sites, and
 - (d) titles of each position within the organisation and mandatory departments and functions.
- (2) The holder of an LPM operator licence shall not commence any gambling or gambling-related activities prior to the approval of its organisational structure by the Authority.
- (3) The holder of an LPM operator licence shall not amend or implement any amendments to its approved organisational structure without the prior written approval of the Authority.

2.2 Jobs compendiums

- (1) The holder of an LPM operator licence shall prepare and maintain a jobs compendium that complies with the provisions of this Chapter in respect of all personnel and LPM site employees engaged in gambling and gambling-related activities.
- (2) A jobs compendium shall comprise –
- (a) a description of each job, reflected on a separate page, organised by department or function, including –
 - (i) the position title and the department or division under which it falls;
 - (ii) the position titles of the relevant employee’s head of the department, immediate supervisor and subordinates; the duties, responsibilities, authority and the limitations in respect of the relevant job; and
 - (iii) the duties, responsibilities, authority and the limitations in respect of the relevant job; and
 - (iv) where registration is required in respect of the relevant position, the category of registration required to be issued,

- (3) The jobs compendium shall –
- (a) clearly reflect the segregation of incompatible operational functions –
 - (i) into different departments, and
 - (ii) between the LPM operator and LPM sites, specifying the duties of each such department and function;
 - (b) illustrate by position title, the direct and indirect lines of authority within the operation, clearly reflecting a chain of command in terms of which management and supervisory personnel are held accountable for actions or omissions within their areas of responsibility;
 - (c) reflect primary and secondary supervisory positions, where applicable, within the organisational structures and the operational functions contemplated in paragraph (a), so as to ensure the continuous authorisation or supervision of all gambling and gambling-related transactions at all relevant times, and
 - (d) reflect the division of responsibility and accountability so as to ensure that no area of responsibility or accountability is so extensive that it becomes impractical for one employee to monitor or control.
- (4) The holder of an LPM operator licence shall not commence any gambling or gambling-related activities prior to the approval of its jobs compendium by the Authority.
- (5) The holder of an LPM operator licence shall not amend or implement any amendments to its approved jobs compendium without the prior written approval of the Authority.

2.3 Mandatory Departments

- (1) The holder of an LPM operator licence's organisational structure and jobs compendium shall provide for the following independent mandatory departments providing for the following categories of staff –
- (a) in its Technical Department –
 - (i) LPM Technicians, who shall install and maintain LPM's and SDL's and perform such other functions as are prescribed by the Rules and the LPM operator's ICS, and
 - (ii) an LPM Technical Manager, who shall –
 - (aa) supervise and manage the overall operation of the Technical Department, and
 - (bb) ensure that the structure and operation of the Technical Department complies with the LPM operator's ICS and the Act;
 - (b) in its Administration Department –
 - (i) Administration Clerks, who shall –
 - (aa) ensure that gambling-related financial information, including the compilation of weekly tax returns, is accurate and reliable, and
 - (bb) perform such other functions as are prescribed by the Rules and the LPM operator's ICS, and
 - (ii) an Administration Manager, who shall –
 - (aa) supervise and manage the overall operation of the Administration Department, and participate in the appointment and termination of employment of all administrative employees, and
 - (bb) ensure that the structure and operation of the Administration Department complies with the LPM operator's ICS and the Act;
 - (c) in its Compliance Department –
 - (i) Compliance Officers, who shall –
 - (aa) monitor, audit and report on compliance with the LPM operator's ICS and the Act, and
 - (bb) perform such other functions as are prescribed by the Rules and the LPM operator's ICS, and

- (ii) a Compliance Manager, who shall –
 - (aa) supervise and manage the overall operation of the Compliance Department, and
 - (bb) ensure that the structure and operation of the Compliance Department complies with the LPM operator's ICS and the Act.
- (2) The Authority may approve the combination of certain categories of employees, functions or departments if the LPM operator is able to demonstrate that there are no incompatible functions and that the proper conduct and effective supervision and control of gambling and gambling-related activities will not be prejudiced thereby.
- (3) The LPM operator may not outsource any of the functions assigned to its employees in terms of the LPM operator's ICS and/or the Act without the prior written approval of the Authority.
- (4) The LPM operator shall at all times maintain its level of staffing in a manner which ensures the proper operation and effective supervision of all gambling and gambling-related activities.
- (5) The Authority may order the LPM operator to utilise higher levels of staffing if, in the opinion of the Authority, it is necessary for the proper conduct and effective supervision and control of any gambling-related activity.
- (6) No person shall simultaneously perform incompatible gambling-related functions allocated to more than one position without the prior written approval of the Authority.
- (7) The LPM operator shall ensure that only adequately trained and experienced employees are utilised in the positions reflected in the organisational structure.
- (8) This Rule does not preclude the LPM operator from utilising additional categories of employees or the Authority from ordering the LPM operator to utilise additional categories of employees where it deems this necessary for the proper conduct and effective supervision and control of any gambling-related activity.

2.4 LPM Sites

- (1) Licenced or registered employees shall be appointed on each LPM site, who shall during all operating hours –
 - (a) supervise gambling and gambling-related activities;
 - (b) ensure that all gambling and gambling-related activities are conducted in accordance with the Act and the LPM operator's ICS;
 - (c) ensure the proper functioning of Limited gambling machine site licences, insofar as prescribed by the Act and the LPM operator's ICS, and
 - (d) attend to patron disputes.

2.5 Internal audit

- (1) The LPM operator shall appoint an independent internal auditor to perform the internal audit function prescribed by this Rule.
- (2) The internal audit function shall comprise –
 - (a) the review and evaluation, at least on six-monthly basis, of the LPM operator's –
 - (i) ICS in order to determine the effectiveness and adequacy thereof, and
 - (ii) fulfilment of its bid commitments;
 - (b) on a six-monthly basis –
 - (i) an assessment of the LPM operator's compliance with its ICS and the Act;
 - (ii) an assessment of the effectiveness and adequacy of the day-to-day gambling-related operations of the Technical, Administration and Compliance Departments;
 - (iii) the review of an operational risk profile in respect of the mandatory departments;

- (iv) a determination of whether the gambling and gambling-related financial and operating information is accurate, current, timorously generated, complete, valid and reliable, including the reconciliation of such information with tax returns submitted to the Authority;
 - (v) a determination of whether all gambling-related taxes are current and accurate;
 - (vi) an assessment of the integrity, adequacy, accuracy and reliability of all gambling-related information and systems, and
 - (vii) to the degree required by the circumstances, an assessment of the LPM operator's compliance with any operational conditions of the licence imposed by the Authority.
- (3) Where the LPM operator utilises an external auditing company to perform the internal audit function, such company may not also perform the external audit function.
- (4) The head of the internal audit function shall report directly to the board of directors of the LPM operator or to a committee of the board of directors.
- (5) The LPM operator must ensure that the persons responsible for the performance of the internal audit function submit and present an internal audit report to the Office of the Authority within 28 days of the compilation of each six-monthly audit report.
- (6) The internal audit report contemplated in sub-rule (5) shall address –
- (a) any contravention of the LPM operator's ICS or the Act revealed by the audit;
 - (b) all the areas of responsibilities referred to in sub-rule (2)(a) and (b), and
 - (c) any weaknesses in the LPM operator's ICS or the Act revealed by the audit.
- (7) In addition to the provisions of sub-rule (6), additional internal audit reports shall be submitted to the Authority relating to –
- (a) gambling and gambling-related operations and activities, and
 - (b) instances of possible non-compliance with the provisions of the LPM operator's ICS or the Act revealed by an audit
- within 14 days of the compilation of such reports.
- (8) The Authority may approve different reporting lines to those prescribed in sub-rule (4) above, upon demonstration by the LPM operator that there are no incompatible functions.
- (9) All reports shall be in writing and shall be kept for a period of at least two (2) years for Authority inspection.

2.6 ICS

- (1) Every LPM operator shall develop, implement and maintain a written ICS to ensure –
- (a) the integrity of its gambling operation;
 - (b) that adequate controls are in place to effectively manage and minimise gambling-related risks;
 - (c) that gambling-related devices, documents and information are properly controlled and safeguarded;
 - (d) that financial and other gambling-related records are accurate and reliable;
 - (e) that gambling-related transactions are performed with the necessary authorisation;
 - (f) that gambling-related transactions are recorded in sufficient detail;
 - (g) the proper reporting of gambling revenue, taxes and other fees due; and
 - (h) that gambling-related functions, duties and responsibilities are appropriately segregated and performed in accordance with sound practices by competent and appropriately qualified employees.
- (2) The LPM operator's ICS shall contain only those procedures and provisions required in terms of the Act and such further procedures and provisions as the Authority may from time to time determine.
- (3) The LPM operator shall not commence any gambling or gambling-related activities prior to the approval of its ICS by the Authority.
- (4) The LPM operator shall not amend its ICS or implement any new or revised policies, procedures or standards contained or required to be contained in its ICS without the prior written approval of the Authority.

- (5) The LPM operator shall submit amendments to its approved ICS in the manner and format determined by the Authority.
- (6) The Authority may order the LPM operator to amend its ICS if in the opinion of the Authority it does not comply with the requirements of sub-rule (1).
- (7) The LPM operator shall conduct its operations in terms of its ICS.
- (8) If the LPM operator contravenes any provision or procedure of its ICS or omits to amend its ICS within 28 days of receiving an order from the Authority to do so, such contravention or omission shall be deemed to be a contravention of these Rules.
- (9) The ICS shall clearly distinguish between the LPM operator's and LPM site's functions.
- (10) The LPM operator shall immediately inform all its LPM sites in the event of an ICS amendment that the Authority has determined will have an influence on the operation of the LPM site.
- (11) At a minimum the LPM operator's ICS shall contain provisions and procedures relating to –
- (a) its organisational structure;
 - (b) its jobs compendium;
 - (c) measures for the maintenance of designated areas to ensure compliance with the provisions of the Act;
 - (d) control measures to preclude persons under the age of 18 years from having access to designated areas;
 - (e) the maintenance of premises and employee records;
 - (f) the management of LPM information records;
 - (g) the commissioning and de-commissioning of LPM's, including the set up and testing thereof;
 - (h) access to all LPM areas, including LPM logic area and SDL access;
 - (i) the resolution of patron disputes;
 - (j) manual payments, including the recording thereof;
 - (k) the maintenance of LPM's and SDL's, including the detection of LPM, SDL and CEMS malfunctions;
 - (l) the recording and correction of RAM clears, meter wraps and Limited gambling machine site licences soft meter violations;
 - (m) the detection and investigation of exceptions and unusual events, including –
 - (i) significant events, and
 - (ii) the integrity of CEMS and LPM meters;
 - (n) the clearance and count of LPM drop;
 - (o) the investigation of variances between estimated and LPM drop and the reporting thereof;
 - (p) the detection and investigation of LPM RTP percentages that are below 75%;
 - (q) control measures in respect of controlled stationery, including provisions for –
 - (i) the ordering thereof;
 - (ii) the receipt thereof;
 - (iii) the storage thereof;
 - (iv) the issue thereof;
 - (v) the method of completing entries in controlled stationery registers;
 - (vi) the personnel involved in controlled stationery transactions;
 - (vii) the comparison of a signature listing to signatures on the controlled stationery documents;
 - (viii) the method of checking for completeness and accuracy of controlled stationery registers;
 - (ix) the collection of completed controlled stationery registers;
 - (x) the method of filing of all controlled stationery; and

- (xi) the reconciliation and auditing of controlled stationery registers;
- (r) monitored key controls, including provisions for –
- (i) the ordering thereof;
 - (ii) the receipt thereof;
 - (iii) the storage thereof;
 - (iv) the issue thereof;
 - (v) the method of completing entries in monitored key registers;
 - (vi) the personnel involved in monitored key transactions;
 - (vii) procedures in respect of duplicate keys;
 - (viii) procedures in respect of lost keys;
 - (ix) dual control procedures relating to keys;
 - (x) the destruction of keys; and
 - (xi) the reconciliation and auditing of monitored key registers;
- (s) journal entries and any adjustments to stored data on the CEMS;
- (t) controls relating to user access levels and rights assigned to persons authorised to access the CEMS;
- (u) the issue, activation and retrieval of employee cards, including password reset;
- (v) the calculation, compilation and verification of the Monthly Gaming Revenue Tax Return, including the verification and reconciliation of computerised reports used to calculate LPM revenue so as to ensure the integrity and accuracy and the collection thereof;
- (w) the documentation, investigation and manner of reporting of all breaches of procedure and illegal activities;
- (x) the training of licensed or registered employees with regard to the –
- (iii) LPM site procedures;
 - (iv) Responsible Gambling Programme, and
 - (iii) maintenance of LPM's;
- (y) the performance of audits pertaining to –
- (i) game and communication software installed in LPM's;
 - (ii) software installed in SDL's;

 - (iv) procedural compliance with the Act and the LPM operator's ICS;
 - (v) licensed or registered employees;
 - (vi) monitored keys;
 - (vii) controlled stationery, and
 - (viii) the verification of the accuracy and integrity of information on the CEMS.

CHAPTER III**TECHNICAL DEPARTMENT****3.1 LPM and SDL information records**

- (1) The Technical Department of the LPM operator shall record and maintain accurate and current records in the LPM operator's inventory in respect of –
- (a) each LPM, reflecting –
- (i) the date on which the LPM cabinet and game software was received;
 - (ii) the serial number assigned to that LPM cabinet by the manufacturer thereof;
 - (iii) a unique asset number assigned to that LPM cabinet and game software which shall remain unchanged for the entire duration of the period during which such LPM is owned by or in the possession of the LPM operator;
 - (iv) the location to which the LPM has been assigned;
 - (v) the number assigned to the position of the LPM at the LPM site;
 - (vi) the name of the licensed manufacturer of the LPM cabinet and game software;
 - (vii) the LPM certified model Authority approval number;
 - (viii) the LPM game software memory device number;
 - (ix) the LPM game name;
 - (x) the LPM theoretical and actual return to player percentages;
 - (xi) the LPM denomination;
 - (xii) the method and date of disposal of the LPM cabinet and game software;
 - (xiii) the total number of LPM's in use at LPM sites and in storage, and
 - (xiv) LPM permit numbers, where applicable;
- (b) each SDL, reflecting –
- (i) the date on which the SDL was received;
 - (ii) the serial number assigned to that SDL by the manufacturer thereof;
 - (iii) a unique asset number assigned to that SDL which shall remain unchanged for the entire duration of the period during which such SDL is owned by or in the possession of the LPM operator;
 - (iv) the premises or location to which the SDL has been assigned, and
 - (v) the SDL model number and Authority approval number.

3.2 LPM requirements

- (1) Each LPM shall electronically record, store and send to the CEMS the meter information specified by the applicable SABS standard.
- (2) Each LPM shall electronically record, store and send to the CEMS the following significant event information –
- (a) authorised and unauthorised LPM cabinet door, drop box door and banknote storage area open and close;
 - (b) authorised and unauthorised access to the LPM logic area while power off;
 - (c) authorised and unauthorised access to the SDL;
 - (d) communication failure to the CEMS, and
 - (e) software validation or signature failure.

- (3) An LPM shall require manual reactivation and shall perform a signature check in the event of –
- (a) unauthorised access to the LPM logic box door;
 - (b) unauthorised access to the SDL, and
 - (c) a signature failure by the LPM and SDL.
- (4) The Technical Department shall maintain all LPM's and SDL's in a good working condition in accordance with the approved norms and standards for such devices.
- (5) The LPM operator or LPM site shall not possess, install or make available for play any gambling or gambling-related device which has not been approved by the Authority.
- (6) All LPM's that are exposed for play shall be linked to the CEMS.
- (7) A number shall be assigned to each LPM at the LPM site, which shall be clearly visible on the front of the LPM or LPM base.
- (8) The LPM number referred to in sub-rule (7) shall correspond with the number reflected on the CEMS for that specific LPM.
- (9) A plate shall permanently be affixed to the cabinet of every LPM, reflecting –
- (a) the unique serial number of the LPM, and
 - (b) the name of the manufacturer of such LPM.

3.3 Commissioning, alteration and de-commissioning of LPM's and SDL's

- (1) Whenever an LPM or SDL is commissioned or altered, the Technical Department shall perform tests to ensure that the components of such LPM or SDL have been set up properly in respect of –
- (a) software validation;
 - (b) coin acceptance;
 - (c) bill acceptance;
 - (d) significant events;
 - (e) soft meter increment, and
 - (f) such other components and tests as the Authority may specify prior to any gambling activity taking place on the LPM.
- (2) The Technical Department shall –
- (a) document the results of the tests conducted in terms of sub-rule (1) in the format determined or approved by the Authority and such document shall be signed by a representative from the Technical Department and a licensed or registered employee of the relevant LPM site, and
 - (b) maintain the significant event and meter test documentation, including system reports in respect of the tests contemplated in sub-rule (1) for a period of at least two (2) years for Authority inspection.

- (3) The Technical Department shall immediately update the CEMS reflecting any commissioning, alteration or de-commissioning of LPM's at the time of such occurrence.
- (4) The Technical Manager shall approve the commissioning, alteration or de-commissioning of all LPM's.
- (4) The LPM operator shall ensure that full data collection has been completed by the CEMS prior to de-commissioning an LPM.
- (5) An LPM may not be exposed for play before the tests referred to in sub-rule (1) have been successfully completed and the information on the CEMS has been verified as being correct.
- (6) Any change to an LPM's theoretical RTP percentage shall result in such LPM being treated as a different LPM for purposes of preparing statistical reports.
- (7) In respect of a multi-game LPM, the provisions of this Rule shall apply, with the necessary changes, to each game offered by such LPM.

3.4 LPM and communication malfunctions

- (1) An LPM shall be powered down and may not be available for play if a malfunction has occurred which –
 - (a) has a fair play implication, or
 - (b) affects the integrity of the LPM or CEMS information and which cannot be repaired immediately.
- (2) An LPM shall be removed from the public area in the event that the LPM has been powered down for a period of five (5) working days.
- (3) In the event that data collection has not been performed from an LPM site over a continuous 72-hour period, the Technical Department shall implement measures to allow the data collection to be performed.
- (4) In the event that the communication malfunction cannot be repaired immediately, the Technical Department shall implement measures to allow the data collection to be performed.
- (5) The Technical Department shall, if requested in writing by the Authority to do so, immediately disable an LPM for a period determined by the Authority or until such time as the malfunction has been repaired.

3.5 Maintenance

- (1) The Technical Department shall maintain a detailed maintenance register in respect of all malfunctions and maintenance performed on LPM's and SDL's.
- (2) Preventative and routine maintenance on an LPM and SDL may be performed only by-

- (a) an LPM Technician;
- (b) an employee of the CEMS operator, and
- (c) an employee of an LPM manufacturer, licensed in terms of the Act

in the presence of a licensed or registered employee of the relevant LPM site.

- (3) Sub-rule (2) does not preclude a licensed or registered employee of the LPM site from performing routine maintenance to ensure the proper operation of the LPM's on its premises, including attending to coin-in and coin-out errors, bill disputes, hopper fills and cash collections.
- (4) If a specific malfunction on an LPM recurs on a regular basis, the Technical Department shall attend to the problem.

3.6 RAM clear

- (1) Only representatives of the Technical Department and CEMS operator shall be allowed to perform a RAM clear on an LPM and SDL.
- (2) A RAM clear on an LPM or SDL may be performed only by accessing the logic area of such LPM or secure housing of the SDL.

 - (b) any proposed report, photographic image, article or communication which is intended, or can reasonably be expected to -
 - (i) attract members of the public to the licensed site, or
 - (ii) place the particular licensed site to be named, reflected or referred to in any such proposed report, photographic image, article or communication at any advantage, whether real or perceived, over any other licensed LPM site in the Province or elsewhere.
- (2) The provisions of this sub-rule shall not preclude the holder of an LPM operator licence from implementing such advertising in respect of LPM operations or any licensed LPM site, as may be approved by the Authority: Provided that advertising must be consistent with Part B section 15 of the National Gambling Act.

7.10 Dispensation

- (1) The Authority may approve alternative criteria or procedures other than those prescribed in these Rules, if the LPM operator is able to prove to the Authority that, notwithstanding such criteria or procedures, there are sufficient controls in place to ensure the integrity of the operation.

CHAPTER VIII

OFFENCES AND PENALTIES

8.1 Offences and penalties

- (1) The LPM operator and a site owner key employee, where applicable, shall be guilty of an offence and be liable to –
