FOR IMMEDIATE RELEASE

08 February 2021

POSTPONEMENT OF COVID-19 VACCINE ROLLOUT MEDIA BRIEFING

The anticipated COVID-19 vaccine rollout plan media briefing which was scheduled for this coming Wednesday, 10 February 2021, has been postponed by a week.

The postponement is to allow for further interaction and consultation between the Free State Provincial Government (FSPG) through the Provincial Department of Health, with the National Department of Health (NDOH). This follows various consultation processes, as well as the subsequent address by the Minister of Health, Dr. Zweli Mkhize, on Sunday, 07 February 2021 regarding key updates on the overall plan of the vaccine rollout in the country.

The tentative, rescheduled briefing will be held under the following arrangements:

DATE: Wednesday, 17 February 2021

VENUE: TBC

TIME: Arrival - 08:30am. Briefing – 9am to 11am

Issued by the Free State Provincial Government Communication Services
