Let's grow South Africa together

GOVERNMENT MESSAGES OF THE DAY

COVID-19 VACCINE ROLL-OUT

- Government thanks all citizens, 60 years and over, who came forward to be vaccinated yesterday.
- The first day of the vaccination rollout proceeded reasonably, all the minor challenges are being addressed.
- Government will soon launch a public facing dashboard that will publish the numbers vaccinated in phase two near real time.
- Health care workers, including traditional healers, and citizens 60 years and above are encouraged to register for the vaccine and attend when they have been invited.
- Government appeals to South Africans not to go to the vaccination sites without an appointment.
- Should you encounter problems during the registration process, call the COVID-19 hotline 0800 029 9995.
- Vaccines are there to save lives. Stay Safe. Vaccinate to save South Africa.
