EASTER WEEKEND MESSAGE

Dear Colleagues,

As we ready ourselves for the Easter holidays, allow me to wish all those who will be embarking on road trips, safe journeys.

These holidays will see many colleagues travelling to different places of worship across the country. Government anticipates large traffic flows, particularly in our province, given its geographical location.

The Easter holidays remain a time when many of us travel around the country to visit family, friends or for religious purposes. It is also a time when there are increased traffic volumes on our roads. Regrettably, this period usually sees a high rate of road accidents and fatalities. Government urges all staff members to remain cautious, vigilant and safe during this period. As we go on our different excursions, let us pray for an end to road accidents, moral decay and lawlessness in our country.

A blessed, restful Easter weekend to all staff members. Let us all return safely in the new week, as we begin the new 2023/2024 financial year with great enthusiasm, refreshed and revived to continue to serve our people.

Yours Sincerely

KOPUNG RALIKONTSANE
